

Dental Implant INTERVIEW GUIDE

Dental Implants are permanent, so we want to make sure we're a good fit.

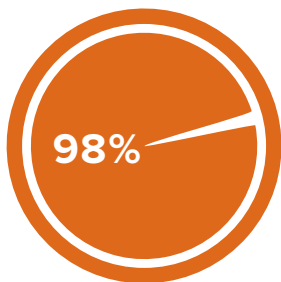

This is the perfect opportunity for you to get to know Drs. McMillan and Laviola and make a decision about who you want to work with on your treatment plan. Please print this questionnaire and bring it to your consultation.

HERE ARE 12 VITAL QUESTIONS TO ASK:

These questions will help you get to know your doctor's professionalism, personality, experience, and record of success.

- 1 How many dental implant procedures have you completed?
- 2 What's your success rate?
- 3 Have previous patients provided any testimonials or reviews online?

- 4 Do you have before and after photos of your previous cases?
 - 5 Have you had any specialized training?
 - 6 What can I expect to pay overall for my dental implant?
 - 7 Will I have additional procedures or expenses?
-

SOURCE

98% Success Rate!

The success rate of single dental implants has been reported in scientific literature as up to 98 percent.

- 8 Will my insurance cover any of these treatments?
- 9 Are there any specific risks I should be aware of?
- 10 From start to finish, what's the timeline I can expect?
- 11 Are there alternative treatments in my case?
- 12 What's your treatment recommendation for me and why?

Over 3 million!

Over 3 million people have implants and that number is growing by 500,000 a year.
